

Laboratory of Renewable Energies and Intelligent Systems organizes

The XIIth JMSM FST OF FEZ

THE XIIth MAGHREB DAYS OF MATERIAL SCIENCES

November 19-21, 2015

<http://www.fstfes.fst-usmba.ac.ma/conferences/JMSM2015/>

Areas and Topics

- Nanotechnologies, new-generation materials
- Biomedical and biology
- Photonics, Electronics
- Building materials & heritage
- Energy, Environment
- Transport, security

Organizing Committee

A. AHAITOUF, Az.
 AHAITOUF, L. BEJJIT, F.
 ERRAHIMI, N. ES-SBAI,
 M. HADDAD, M. JORIO,
 A. MANSOURI, A.
 MECHAQRANE, K.
 MOUGHAMIR, M. RAZI,
 S. BENNANI DOSSE, Y.
 LAKHRISSI, S. HOUACHE,
 M. ATMANI

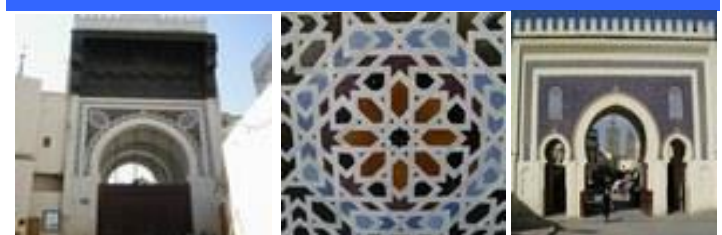

Key dates and deadlines

Extended abstracts submission deadline	30/06/2015
Notification of acceptance	30/09/2015
Registration deadline and submission deadline of full papers	15/10/2015

Paper submission

<https://easychair.org/conferences/?conf=jmsm2015>

Fez, the spiritual capital of Morocco, founded in the eighth century, it's one of the most prestigious cities of the Islamic world. Many historical monuments become universal heritage adorn this city, whose medina is the most original and authentic of Moroccan kingdom. Wide open to other civilizations, Fez is a city of the Middle Atlas, surrounded by mountains and valleys that makes it one of the most beautiful cities of Morocco and where traditions and cultural modernism mingle in peace and harmony. Gastronomy, quiet and hospitality are strengths to provide a serene feeling.
